EDUCATION

Rochester Institute of Technology

Expected May 2027

BFA, New Media Design · Concentrations in Philosophy and Psychology
GPA 3.9 · Dean's List

EXPERIENCE

Creative Intern | Multiply

Summer 2026

Clients: Fresca, Minute Maid, Hi-Chew, GRENADE · Remote

- Joined the design team as a full contributor, conceiving the GRENADE US launch campaign and creating graphics and social content for Hi-Chew.
- Designed the winning Fresca (Coca-Cola) pitch deck in collaboration with the team on a two-day turnaround, then led behind-the-scenes footage on set for the commercial shoot campaign.
- Integrated newly adopted AI tools into the team's workflow, freeing time for creative collaboration and ideation.
- Partnered directly with copywriters, sat in on client pitches, and was regularly consulted for Gen Z audience insight.

Freelance UX/UI Designer

2026

Remote

- Designed wireframes, user flows, and high-fidelity Figma screens for live client websites alongside a lead UX/UI designer.
- Translated client goals into visual direction, balancing brand vision against business and technical requirements.

Marketing Coordinator | Jolt.film

Summer 2024

Brooklyn, NY

- Partnered with designers, strategists, and copywriters to turn campaign concepts into cohesive cross-platform digital content.
- Iterated on narrative-driven creative under tight creative and technical constraints.

SELECTED PROJECTS

Motion Design Project | Motion Graphics

Gold ADDY Award

- Created an award-winning motion piece, selected for publication in a design textbook and displayed on RIT institutional billboards.

Boy's Club | Founder & Creative Director

Spring 2026 – Present

- Built an independent fashion label end to end: garment design, art direction, photography, web design, and e-commerce.
- Shot the debut campaign (500+ frames across 10 pieces, edited to 180 selects) and built a production pipeline and five custom grading presets as a unified visual system.

College Path Site | UX Design

Fall 2025 – Present

- Researched decision-making behavior and emotional friction in college planning; designed flows and prototypes to reduce user anxiety, refined through usability testing.

LEADERSHIP

Founder & President | Eleve Ballet Co., RIT

Spring 2024 – Present

- Founded RIT's first ballet company from zero; built its brand identity, digital presence, and communication systems to support long-term growth.

Vice President | RIT Sailing

2022 – Present

- Direct recruitment, member engagement, and communication strategy to strengthen team culture and member experience.
